INTERVIEW SUMMARY

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

INTERVIEW

Applicant thanks Examiners Katherine Salmon and Juliet Switzer for conducting a personal interview with inventor John Landers and Applicant's representative Helen Lockhart on October 21, 2008. In the interview the rejections of record and Applicants written response dated August 5, 2008 were discussed. It was concluded that the rejections of record would be withdrawn. Applicant also informed the Examiner that a statement made in Applicant's response dated August 5, 2008

needed to be clarified. In particular, Applicant clarifies the statement found on page 6, that "In either circumstance, the whole genome is included within the DNA sample of Shuber et al." Although Shuber does not remove the genomic DNA from the amplified sample, the skilled artisan might not consider the sample to include a whole genome because the amplified sequences are the dominant material in the sample. Regardless, Applicant reiterates that the skilled artisan would not have combined the references of record for the other reasons presented in the response dated August 5, 2008.

CONCLUSION

A Notice of Allowance is respectfully requested. The Examiner is requested to call the undersigned at the telephone number listed below if this communication does not place the case in condition for allowance.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, the Director is hereby authorized to charge any deficiency or credit any overpayment in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 23/2825, under Docket No. M0656.70098US00.

Dated: October 22, 2008

Respectfully submitted,

By Helen C. Lockhart
